University with a Difference

Ahmedabad - 382210, INDIA
(Established by Gujarat Act No. 19 of 2019)

Semester Performance Report

Programme	Master of Computer Applications		
Specialization	-		
Enrollment No.	24004401110295	Old Enrollment No.	-
Exam Period	April - 2026	Semester	IV
Medium of Instruction	ENGLISH	ABC ID	588665598322
Name	RANA MOHIT AJAYKUMAR		

Course Code	Course Title	Credit	CCE	SEE (T)	SEE (P)	Grade
40110401	Software Project - II (SP-II)	20.0	0		A+	A+

Credits Offered : 20	Credits Earned : 20	Grade Points Earned (G) : 150	SPI : 7.50
----------------------	---------------------	-------------------------------	------------

Semesters	I	II	III	IV	CGPA	CLASS
SPI	8.38	8.00	8.39	7.50	8.09	First Class with Distinction
Credits	24	24	23	20	91	

"Marks and credits for these subjects will not be considered for class or total."

"This marksheet reflects the current semester result only."

* AB - Absent

Date of issue : 09-07-2026

EVALUATION SCHEME

The performance of the student is evaluated on the basis of continuous and semester-end examinations with letter grades O+++, O++, O+, O, A++, A+, A, B++, ...etc. which have numerical equivalents called grade points as indicated below:

Percentage		Grade Point	Grade
95	100	10	O+++
90	94	9.5	O++
85	89	9	O+
80	84	8.5	O
75	79	8	A++
70	74	7.5	A+
65	69	7	A
60	64	6.5	B++
55	59	6	B+
50	54	5.5	B
45	49	5	C
less than 45		0	F

The performance of a student in a semester is indicated by a number called SPI (Semester Performance Index). The SPI is the weighted average of the grade points obtained in all the subjects taken by the student during the semester. Example: Suppose in a given semester, a student has taken subjects having credits C1, C2, C3, C4, C5 and the numerical equivalent of grades obtained in those subjects are G1, G2, G3, G4, and G5 respectively.

$$SPI = \frac{\sum_{i=1}^n C_i G_i}{\sum_{i=1}^n C_i}$$

SPI will be calculated (after re-examination, if any) up to two decimal places on the basis of the final grades.

The Cumulative Grade Points Average (CGPA) is the weighted average of all 4 semesters.

Formula for conversion of equivalent percentage of SPI / CGPA: Percentage = (SPI/CGPA — 0.5) x 10

Formula for conversion of equivalent percentage of SPI / CGPA: Percentage = (SPI/CGPA — 0.5) x 10

Class as per SPI / CGPA are given below

7.5 to 10 : First class with distinction

6.5 to 7.49 : First class

5.5 to 6.49 : Higher Second Class

5.0 to 5.49 : Second class

Below 5.0 : Fail

Abbreviations

SPI: Semester Performance Index

CGPA: Cumulative Grade Points Average

CCE: Continuous and Comprehensive Evaluation

SEE: Semester End Evaluation
